Delivery-oriented professional facilitating Scrum for a cross-border student product team at **Ericsson** (internal AI agent), mentored by senior Scrum, Product, and Program leaders. **100% sprint goal completion** on committed work. Combines ceremony discipline with stakeholder clarity from 4+ years in multinational HR/TA operations (Ericsson, Infineon, Bosch) inside matrix organisations.

EXPERIENCE

Informal Scrum Master / Agile Project Coordinator — Ericsson (DICE / internal AI agent)

2025 – Present · Remote / Budapest

- Scrum Master for a **9-person** student development team building an internal AI agent
- Full 2-week ceremony cycle: daily stand-ups, sprint planning, sprint review/demo, retrospectives
- Sprint goal definition and tracking; backlog awareness with Product context; impediment identification and removal
- **100% sprint goal completion** on committed stories within agreed scope
- Mentored simultaneously by senior Scrum Master, Product Owner, and Head of Program; shadowing two additional teams through full delivery cycles
- Progress reporting to Head of Program; connecting agile delivery language with operational/HR oversight
- Tools: Jira (boards, issues, reporting), Confluence, Microsoft Teams for remote facilitation
- Build psychological safety and trust with a junior team while holding a clear bar for demos and commitments

Talent Acquisition Operation Partner — Ericsson

Apr 2025 – Present · Parallel delivery context

- Daily global collaboration (India, England, Sweden, Baltics, Italy, Philippines) — practice in matrix communication and escalation
- Support testing/rollout of HR software and AI filtering tools; train local teams; navigate organisational change
- Cross-cultural working styles (German, Portuguese, Indian contexts in adjacent partnerships)

Program & event delivery instincts — Infineon / Bosch

2022 – 2025

- Infineon: dual education and assessment-centre operations as large coordinated events (30–50 candidates); funnel metrics and management reporting to Porto
- Bosch lean HR: identify broken process, pilot simpler flows, document, train — continuous improvement habit transferable to delivery teams
- Workshop support, conflict-aware facilitation, remote matrix reporting

Event Coordinator & Brand Ambassador — Ötpróba (parallel)

Jun 2021 – Present

- National sports events (hundreds–thousands of participants): registration flow, contingencies, multi-party coordination — operational stamina beside full-time roles for 4+ years

SKILLS

Scrum: Ceremonies, sprint goals, backlog refinement, impediments, velocity awareness, retrospectives

Leadership: Servant leadership, mentoring juniors, psychological safety, stakeholder expectation management

Tools: Jira, Confluence, Teams; status reporting to program leadership

Delivery context: Matrix organisations, remote facilitation, cross-cultural communication, change support

Languages: Hungarian C2 · English C1
