

Illés István Kristóf

Operations and stakeholder professional experienced in **university partnerships**, multinational **matrix coordination**, and **large-scale live events**. Builds durable partner relationships and calm logistics under pressure — sustained Ötpróba event ops for **4+ years** alongside full-time HR roles at Bosch, Infineon, and Ericsson.

EXPERIENCE

Emerging Talent & University Relations Specialist — Infineon

Apr 2024 – Apr 2025 · Cegléd & Budapest

- Strategic relationships with BME, Óbudai University, and technical schools; long-term talent pipelines
- Dual education program operations: applications, enrollment, corporate rotations, internship logistics; student work-council relationships
- Represent Infineon at university career fairs/career days; guest lectures; lab visits; networking events
- Open Days at Cegléd manufacturing facility: tours, technical Q&A, sustainability narrative, engineer meetups (groups of 20–40)
- Assessment centres for **30–50 candidates** simultaneously — exercise design, scoring, venue, results aggregation
- Employer branding content (LinkedIn/Facebook/Instagram); recruit/train employee advocates and student ambassadors
- Intern journey tracking (onboarding, mid-internship feedback, convert-to-hire); channel KPIs (source of hire, conversion, time-to-hire, cost-per-hire)
- Weekly remote alignment with Porto central team; standardisation across Germany, Portugal, Romania, Hungary; English-language matrix reporting
- Agency/work-council coordination; labour compliance for intern/graduate roles (hours, breaks, compensation)

Talent Acquisition Operation Partner — Ericsson

Apr 2025 – Present · Global matrix

- Stakeholder map: hiring managers, recruitment, payroll, people ops, global mobility
- Daily collaboration with India (registration/IT), England (senior TA), Sweden (HQ), Estonia, Italy, Philippines
- International mobility handoffs: visas, relocation packages, tax equalisation with global mobility partners
- Support TA through organisational change and new process rollouts; local AI filtering training and feedback loops
- Navigate cultural working styles while keeping Global TA Standards and audit readiness

Event Coordinator & Brand Ambassador — Ötpróba

Jun 2021 – Present · Part-time / weekends

- National sports events with hundreds to thousands of participants: registration/check-in flow, real-time queue management, technical support
- Venue setup/breakdown, equipment deployment, vendor coordination
- On-site contingencies: disputes, equipment failure, schedule changes, medical/safety, weather
- Member engagement, results/recognition ceremonies; membership benefits (points/scoring, prizes, loyalty)
- Multi-party coordination: local organisers, venue managers, municipal authorities, volunteers, related organisations
- Occasional press statements and media interviews representing the brand
- Sustained high performance beside demanding full-time HR roles for 4+ years

HR Recruiter / HRBP Intern — Bosch

2022 – 2024 · External & internal ops

- Career-fair booth staffing and student networking for pipelining
- Cross-department internship hiring coordination (engineering, logistics, administration)
- Social campaigns and recruitment video/content with engagement monitoring

SKILLS

Partnerships: University relations, dual education, employer branding events, ambassador programs

Operations: Event logistics, contingency planning, vendor/venue coordination, registration flows

Matrix: Remote stakeholder updates, cross-cultural communication, escalation paths, mobility coordination

Analytics: Source of hire, conversion, time-to-hire, cost-per-hire, management dashboards

Languages: Hungarian C2 · English C1 (international business)
