

HR Operations and Talent Acquisition professional with 4+ years in multinational environments (Ericsson, Infineon, Bosch). End-to-end ownership of recruitment lifecycles, compliance, candidate experience, and employer-brand pipelines — with fluency in ATS platforms and global matrix stakeholder management.

EXPERIENCE

Talent Acquisition Operation Partner — Ericsson Apr 2025 – Present · Budapest

- Full operational ownership of Hungarian TA lifecycle (intake → offer → onboarding) under Global TA Standards
- Strategic intake with hiring managers; screening; structured phone interviews; offer letters and salary negotiations within bands
- GDPR-compliant documentation, SuccessFactors ATS, mobility and pre-boarding coordination across global partners

Emerging Talent Acquisition & University Relations — Infineon Apr 2024 – Apr 2025 · Hungary

- Intern/graduate hiring lifecycle; assessment centers for 30–50 candidates; Gen-Z-optimized funnel feedback
- University partnerships (BME, Óbuda, technical schools); dual education operations; career fairs and open days
- Employer branding content and ambassador programs; reporting to Porto central team

HR Recruiter Intern / HRBP Intern — Bosch May 2022 – Apr 2024 · Budapest

- High-volume screening (100+ applications/month), phone screens, interview logistics, offers, SmartRecruiters
- HRBP: employment contracts, SAP HR master data, attestations, salary review support, exit interviews, lean HR pilots

SKILLS

TA / HR: Full-cycle recruiting, intake, offers, candidate experience, assessment centers, employer branding

Systems: SuccessFactors, SmartRecruiters, SAP HR, Workday (familiar), advanced Excel

Compliance: GDPR, Hungarian labour context, audit documentation

Languages: Hungarian (C2), English (C1)
