Operations and stakeholder professional experienced in university partnerships, multinational matrix coordination, and large-scale live events. Builds durable partner relationships and calm logistics under pressure — in parallel with enterprise HR roles for 4+ years.

EXPERIENCE

Emerging Talent & University Relations Specialist — Infineon Apr 2024 – Apr 2025

- Strategic relationships with BME, Óbuda University, and technical schools; talent pipelines and dual education operations
- Career fairs, open days (20–40 students), guest lectures, lab visits; employee/student ambassadors
- Remote collaboration with Porto central team; standardization projects across HU/DE/PT/RO

Talent Acquisition Operation Partner — Ericsson Apr 2025 – Present

- Stakeholder management across hiring managers, payroll, people ops, and global mobility
- Daily global collaboration: India, England, Sweden, Estonia, Italy, Philippines — navigating cultural working styles

Event Coordinator & Brand Ambassador — Ötpróba Jun 2021 – Present (part-time)

- National sports events (hundreds to thousands of participants): registration, queue management, venue logistics
- Contingency handling (disputes, equipment, schedule, weather); media statements; multi-party vendor coordination
- Sustained high performance alongside full-time Bosch / Infineon / Ericsson roles for 4+ years

HR Recruiter / HRBP Intern — Bosch 2022 – 2024

- Career fair representation, talent pipelining, cross-department internship hiring coordination

SKILLS

Partnerships: University relations, employer branding events, ambassador programs

Operations: Event logistics, contingency planning, vendor/venue coordination

Matrix: Remote stakeholder updates, cross-cultural communication, escalation paths

Languages: Hungarian (C2), English (C1)

EDUCATION

BSc Economics — HR Specialization, KRE 2020 – 2024

MSc Leadership & Management, ELTE (paused) 2024 –
